THE POWER TO HEAL

A PATH TO
PERSONAL MASTERY

LEVEL ONE: THE PROPHET

THE POWER TO CONNECT

Who are you? What are you?

I AM. These two tiny words pack a powerful punch, transcending culture, race and gender. At the core of the shortest sentence in the world lies a great Truth. I AM.

You are both human and Divine. Training in Power™ Level One, THE PROPHET reveals the power to connect consciousness with universal energies so healing can begin. Our work is not about rising above the world to control others. It's about being fully present to heal ourselves, our loved ones and our Earth and all its sentient beings with compassion and Love.

Learn ancient wisdom and energetic healing techniques using guided active meditation.

Remember who you really are.

LEVEL TWO: ANCIENT SHAMANISM

THE POWER TO CHANGE

What would it mean to live a life of spiritual impeccability? To fiercely protect your authentic self?

Daring. Dramatic. Powerful. The Shaman bridges nature and humanity, sensitive to the delicate balance of all living things, for everything lives in Power. Are you willing to embrace your most Noble nature and become the Shamanic healer?
